Notes: 1. Asterisk before certain items in the following pages indicates article length of one page or more.

2. The NPN Factbook, a statistical and reference yearbook, published in mid-May, is not included in this index.

AMERICAN OIL CO.
Offers gasoline discount for New York state-owned vehicles. Jan-30-Regions
Not all N.Y. state depts. support Amoco's gasoline discount offer. Feb-20-Regions

AMERICAN PETROLEUM INSTITUTE
API Marketing Division sets up committee for spurring gasoline demand. Feb-84
*Preview of highlights of midyear meeting in Cleveland. May-88
Resume of topics discussed at Cleveland spring meeting. June-111
*What motorists think about oil change (Study by Jones, Brakeley & Rockwell for API), graph. June-141

AIR POLLUTION
Calif. Gov. Brown to recommend legislation requiring antismog devices on all motor vehicles. Mar-27-Regions

ANTITRUST
*29 companies acquitted of price conspiracy charge in Tulsa, illus. Mar-77

ARKANSAS LOUISIANA GAS CO.
*Enters retail marketing with "diversification stations", pix. May-134

ARO EQUIPMENT CO.
Sets up mobile service clinic units, pic. Feb-168

ARVIDA OIL CO.
Opens new stations in Florida. Feb-27-Regions

ASSOCIATIONS
See specific association by name.

AUTOMOTIVE
What are chances for two new engines, turbine and rotary? Jan-114
Auto industry introduces new antismog device. Feb-127
More compact cars sure thing in future. Feb-127
New central hydraulic system coming, with sizable fluid market. Mar-123
Detroit trims estimates of 1960-model sales. Apr-145
Ford survey indicates compact-car business largely plus-business. Apr-145
Researchers see airless tires, greaseless chassis coming soon. Apr-126
Designer of automotive solar conversion system predicts mass production of sun-powered cars. Apr-125
General Motors' new crop of compact cars established. May-161
Ford lines to undergo changes. May-161
Cadillac said to plan compact car. May-161
*What compact and import cars do to gasoline demand, pix., graphs. May-151
*Meenan Oil Co. finds heavy-repair sideline profitable, pix. May-98
What auto makers are doing on fuel cells. June-147
International Auto Show reveals importers' optimism over demand. June-116

AVIATION
*W. S. Mount's (Mobile Oil) report on U.S. military jet fuel requirements; present and future, graph. Mar-106

BATTERIES
See Tires, Batteries, Accessories

BULK PLANTS AND TERMINALS
*Report on Philadelphia jobber's move, pix. Jan-75
*Simplified piping key to faster loading, pix. Feb-101
General Gas Corp. leases Cities Service marine LP-gas terminal. Feb-27-Regions
Three fuel-oil jobbers plan terminal expansion. Feb-20-Regions
Tidewater Oil Co. builds 100,000-bbl. bulk marine terminal in South Norfolk, Va. Mar-24-Regions
Golden Eagle Refining Co. doubles its bankering storage capacity at L. A. harbor. Mar-27-Regions
Delhi-Taylor Oil Corp. owns 2 new million-gal. storage tanks at S.C. terminal. May-21-Regions
*How to check on upgraded safety standards, pic., chart. June-134
Donald C. Hill (Va. State Ports Authority) proposes cooperative floating off-shore terminal at Norfolk. June-16-Regions
Shell abandons old Savannah bulk plant; erects new plant on six-acre site outside city. June-16-Regions

CALIFORNIA FEDERATION OF SERVICE STATIONS
Wages war against gasoline price fixing. Jan-26-Regions

CALIFORNIA OIL CO.
*California Oil's cartoon character helps sell, illus. Jan-84

CALIFORNIA PETROLEUM MARKETERS COUNCIL
Attacks use of trading stamps. June-27
Hits tax-exempt status of certain co-ops. Apr-33

CITIES SERVICE CO.
*Makes deal with Lionel: 100,000 toy tank cars and 800,000 toy billboards with Cities Service identification, pic. June-132
Valley Oil Co., Conn. sells out to Cities Service Oil Co. Mar-20-Regions
*John D. King, Cities Service Mktg. V. P. expounds his marketing philosophy, pix. May-30
Finds "kettle to bearing" delivery cuts grease shipping costs, pic. May-119

COLORADO PETROLEUM MARKETERS ASSN.
Denounces tank-wagon price "myth" at Denver spring meeting. June-25-Regions

COMMERCIAL ACCOUNTS
Report on annual Northwest Petroleum Assn. convention in Minneapolis. Mar-32
Colo. jobbers start campaign against price cutting on commercial accounts. May-21-Regions

COMMISSION AGENTS
See Marketing - Commission Agents

CONNECTICUT PETROLEUM COUNCIL
Presents facts and figures on petroleum industry. Feb-23

CREDIT AND CREDIT CARDS
*Humble Oil adopts new credit card operation, pix. Feb-124
New Chicago firm promotes single card for industry. Feb-86

DEALERS
See Service Stations
- Dealers
Management
- Dealer Relations

DELHI-TAYLOR OIL CORP.
To acquire large stock in Billups subsidiary. Apr-123
Owns 2 new million-gal. storage tanks at S.C. terminal. May-21-Regions

DIVORCEMENT
See Marketing
- Divorcement

DX SUNRAY OIL CO.
Introduces two new products aimed at boating public. June-142

EDITORIALS
*TBA divorcement: new threat. Jan-63
NYC Mayor orders investigation of service stations. Jan-63
*Possibility of federal gasoline tax raise. Feb-79
*29 companies acquitted of price conspiracy charge in Tulsa, illus. Mar-77
*Conflict in pricing, illus. Apr-119
Dun & Bradstreet survey shows jobbership good business. May-83
On price protection and discipline. May-83
*'One Roof' in trouble? oil industry's organizational problem, illus. June-107

EQUIPMENT
What are chances for two new engines, turbine and rotary? Jan-114

EQUIPMENT (contd.)
*How to cut maintenance costs on service station equipment, pix., graphs. Jan-118
Aro Equipment Co. sets up mobile service clinic units, pic. Feb-168
*Shell switching to 4-in. tight-fills: why it pays, how to do it, pix. Feb-139
Auto industry introduces new antismog device. Feb-127
*Simplified piping key to faster loading, pix. Feb-101
*R. I. fuel oil jobber achieves faster pumping at lower cost, pix. Apr-178
Skelly Oil Co. introduces new light-weight LP-gas truck tanks, pix. May-160
*Standard (Ind.) finds hydraulic-powered pumps cut maintenance costs, pix. May-159
*Meenan Oil Co. finds heavy-repair sideline profitable, pix. May-98
*Who uses blending pumps and how?, pix. May-95
*Pure achieves low-cost bottom loading, pic., illus. June-156

ERICKSON PETROLEUM CORP.
Branches out into retail heating-oil sales. Mar-21-Regions

ESSO STANDARD DIV.
*Opening of new Esso Research Center in N.J. shows imaginative low-cost promotion planning, pix. Mar-109
Tests vending units at 5 N.C. stations, pix. May-132
Develops new lubricant "New Uniflo" with help of electronic computer, pic. May-119
And Gulf Oil moving in different directions on price differentials. May-23-Regions
*Esso's heating-efficiency program to help oil heat, pix. May-114

ESSO STANDARD DIV. (contd.)
Tries new sign, vending mall in Charlotte, N.C., pic. June-16-Regions
New service-station manager plan revealed at Washington TBA hearings. June-113
New Watchdog burner requires less maintenance, illus. June-123

EXPANSION
*Should jobbers go dual-brand? Case histories Jan-101
Former Phillips jobber buys Texas firm. Feb-34-Regions
General Gas Corp. leases Cities Service marine LP-gas terminal. Feb-27-Regions
Three fuel-oil jobbers plan terminal expansion. Feb-20-Regions
Delhi-Taylor Oil Corp. to acquire large stock in Billups subsidiary. Apr-123
Skelly Oil Co. buys oil marketing assets of A. E. Chandler, Casper, Wyo. Apr-26-Regions
Rock Island Refining expands in Indiana. June-23

FAIR TRADE
*Why did Fair Trade fail in North Carolina?, pix. Jan-19-Regions
Virginia Petroleum Jobbers Assn. unanimously opposed to federal fair-trade law. June-16-Regions

FAWCETT AND SON CO.
*Heating-oil jobber's personnel-grading method, pix. Feb-104

FEDERAL GOVERNMENT
*Possibility of federal gasoline tax raise. Feb-79

-Congress
Rep. Roosevelt presents three divorcement bills to Congress. Feb-81
For oil marketers, election year to be one of watching, waiting. Feb-81
Rep. Roosevelt urges automotive-parts jobbers to push TBA divorcement. Mar-84
Washington coal lobby pushing for guaranteed share of market. Mar-84
*Roosevelet TBA hearings: majors win round two. June-151

-Federal Trade Commission
Approves commission-override plans in TBA marketing. Jan-135

-Political
*Where the candidates stand on oil, pix. June-109

-Ways and Means Committee
NOJC and LPGA renew efforts before House ways and means committee to tax co-op patronage refunds. Mar-82

FLORIDA OIL & REFINING CO.
Plans new refinery in Jacksonville. Feb-27-Regions

FRONTIER REFINING CO.
Tries managed distributorship to cut price war losses. Apr-25-Regions
And Gulf Oil Co. competing for new oil-jobber accounts in Midwest. Mar-22-Regions

FUEL OIL
